NATURAL GRACE

Solid cast aluminum ensure consistent, even heat distribution and retention for superior energy efficiency. It's integrated built wood handle never come loose and to promote a steady, secure and comfortable grip while lifting or carrying.

No need to wear mitts, as the wooden handle wil keep your hands safe even when the pan is hot.

Smart design on handle to generate utensil rest zone, provide you convenience, save space.

Square base to provide you 20% more cooking space.

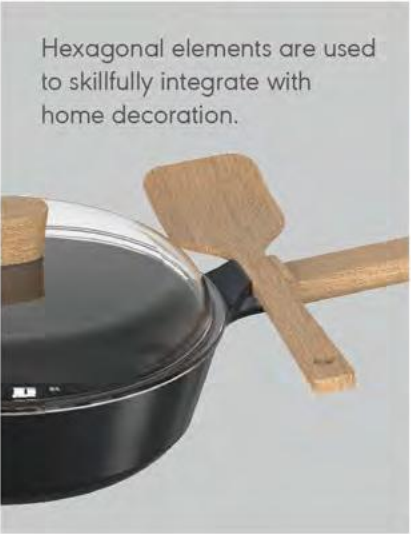

Raised countertops prevent oil spills on fingers.

Enjoy 20% more cooking surface.

Hexagonal elements are used to skillfully integrate with home decoration.

COMFORT

Its features a silicone sheet insert in the handle that turns red to white then show when pans have reached a proper cooking temperature. This important step allows food to cook evenly and helps seal in the natural juices and flavor of food, ensure healthy cooking.

The silicone thermo-indicator turns white when pans are perfectly preheated and ready for ingredients to be added.
